

## WORKING PARTNERS

Credit Bureau Singapore (“CBS”) and Credit Bureau Cambodia (“CBC”) are related companies under Credit Bureau Asia Holdings. CBC has 188 Members contributing credit data to its database and these members include Commercial Banks, Specialised Banks, Microfinance Deposit Taking Institutions, Microfinance Institutions, Leasing Companies and Rural Credit Institutions. In March 2023, CBS and CBC jointly launched Asia’s first bilateral cross-border credit report sharing service. The launch of the service promotes a transparent and reciprocal sharing of an individual’s previous credit history with consent, aiding in CBS and CBC Members’ decision-making for credit applications and employment screening.

**Credit Counselling Singapore (“CCS”) is a registered charity and a member of National Council of Social Service.**

CCS objectives are (1) to promote the responsible use of credit and money management through education, (2) to assist consumers recover from serious debt problems by providing credit management information, credit counselling and where applicable, put up a debt repayment plan (known as Debt Management Programme) for suitable consumers to gradually discharge off their debt obligations.

The Cyber Security Awareness Alliance is co-led by the Infocomm Development Authority of Singapore and Singapore IT Federation with members from the Government, private enterprises, trade associations and non-profit organisations. The Alliance aims to build a positive culture of cyber security in Singapore where infocomm security becomes second nature for all infocomm users; and promote and enhance awareness and adoption of essential infocomm security practices for the private and people sectors.

MoneySense is Singapore’s national financial education programme, started in 2003. Our aim is to help Singaporeans to manage their money well, and make sound financial decisions on their own. Beyond resources published on

the MoneySense website and social media, our Institute for Financial Literacy runs free talks and workshops at the workplace and also for the public.
